Dont fucking text me anything about what donna is owed. Are you stupid. If chris finds out weve been giving her money on these deals that the bith probably would have bought anyway we are fucked. He will fire us and sue us until we are dead or broke. You know how he is. And you owe me my part from last week asap.

Don't get caught taking money from these wholesalers. Hes for sure not paying attention to anything and hasnt since lindsay fucked those high school boys. Make sure it always runs a profit and a couple hundred per car to us in CASH only from those wholesalers is perfect. Be smart and don't get greedy.

i got this. You stress way to much over nothing. I got these guys right where I want them. They bring us cash every week and I promise the boss man will never find out. I've got him sold on these guys are all straight and would never give cash under the table. He suspects NOTHING! Now relax and let daddy do his job.

I told you not to email or text me on my bigred acct about wholesale. WTF! Anyway he has no idea what an in and out is so I wont bring it up. Make sure the banks are okay with it like you told me. Seems like a way to just work a car deal?? call me. He never looks at deals so it's fine by me.
